Notes

- Score the Blushing Bride card stock at 4¼", then fold and crease for the card base.
- Add the Love Blossoms Designer Series Paper® to the card front.
- Using the Bloomin' Heart Thinlits, cut the heart from the back side of the Blushing Bride Glimmer. Also cut the small flowers from the Blushing Bride scraps. You will need 2 large flowers and 3 small ones.
 - Tip: Use the Precision Base Plate in place of one standard plate. Save your plate by cutting into the clear plate.
 - Use the Big Shot Die Brush to remove the small pieces. Just place the die and paper on the foam mat, die side up. Roll the brush over the die. If using thin paper, roll gently to protect the paper. Since we're using a sturdy paper, this will not be a problem.
- Stamp the flowers with Rose Red ink if desired. (This is optional. I found this difficult with the small pieces.)
- Adhere the heart to the middle of the card front. I used the Fine-Tip Glue Pen.
- Adhere the flowers to the heart with Glue Dots.
- Add Basic Pearls to the flower centers. I used the smallest pearls in the small flowers and the middle pearls in the larger flowers.
- Stamp My Valentine inside the card and stamp the flower garland underneath. Stamp the envelope with the same garland, if desired.
