## Notes

1. Punch the top of the Thick Whisper White card stock with the Scallop Tag Topper punch.
2. Punch the bottom corners with the Curvy Corner Trio punch.
3. Stamp the top and edges of the tag with the blurry stamp from Timeless Textures in Mint Macaron ink. I stamped it many times to avoid a definite edge.
4. Use the Bone Folder to role the Mint Macaron card stock back and forth to break down the fibers. The card stock will start to split. Carefully split the entire piece. Tear the edges and bottom (tearing the edge upward) so that it is a bit less than 2". Punch the top with the Scallop Tag Topper punch. Adhere to the top of the tag, matching the top edge and hole. I used Multipurpose Liquid Glue.
5. Stamp the center of the tag diagonally with the dotted stamp in Blushing Bride ink.
6. Stamp fleur-de-lis on the top right and bottom left corners in Soft Suede ink.
7. Stamp the greeting from Rose Wonder on the Blushing Bride scrap in Soft Suede ink. Stamp over that with the splotches in Blushing Bride ink. Punch out with the Large Oval punch.
8. Split the Linen Thread to a single ply. Put some adhesive on the center of the tag. Loosely loop the split thread on the adhesive. Adhere the tag over the adhesive and thread with Stampin' Dimensionals.
9. Add the lace trim to the top of the tag. I fold the trim, push the fold down into the hole, reach my fingers up through the loop and grab the ends. Pull it gently.
