Notes

- Score the Thick Whisper White card stock at 5½". Then fold and crease for the card base.
- Cover the top ¼" of the card with a scrap of paper or a sticky note. Then stamp the swing in Chocolate Chip ink. The top of the ropes will be at the top of the card, but masked. Remove the mask.
- Stamp the greeting about 1¼" down, between the ropes.
- Stamp the shadow about ½" down from the swing in Chocolate Chip ink. (Stamp off first.)
- Adhere the Designer Series Paper® to the Bermuda Bay piece. Cut out with the 3" x 4" Project Life™ Cards & Labels Framelit.
- Adhere the DSP frame to the card front with Stampin' Dimensionals.
- Stamp the accessories you want on the card or the scrap of Whisper White card stock.
 - Pillows in Bermuda Bay ink. Texturize with the Stampin' Pierce Mat and the back of the Paper Piercing Tool.
 - Bird on the swing in Chocolate Chip. Color the head and chest with Cajun Craze ink and the Blender Pen.
 - Cat, dog, and/or the basket in Chocolate Chip or Cajun Craze.
 - Flower pot in Wild Wasabi ink. Use the Blender Pen to remove the ink on the pot itself, then use the Cajun Craze marker to ink it.
- Cut out the accessories from the scrap. The ¾" Circle punch fits the pillow. If you want the cat or dog in the basket you can slit the front of the basket to put the pet inside.
- Adhere the accessories to the card with Stampin' Dimensionals.
