Notes

1. Stamp the scarecrow in Soft Suede ink on one end of the Peekaboo Peach card stock.
2. Stamp the scarecrow 3 (or 6) times on the bottom of the Glassine Bag. **Allow to dry! It takes a bit longer on the glassine.**
3. Stamp the crow or other accessories if desired.
4. (or you might prefer the mummy, Dracula, or the skeleton on Whisper White card stock and on the Glassine Bag.
5. Color in the patches, nose, and had in Real Red ink with the Blender Pen. Color in the pants in Pacific Point, also with the Blender Pen.
6. Punch out the stamped scarecrow with the Cookie Cutter Builder punch and punch a second shape.
7. Fold the Linen Thread in half. Adhere the fold on the back of the scarecrow. Adhere the second shape to cover.
8. Fill the bag with treats.
9. Gather the glassine bag loosely. Wrap the Linen Thread around the bag, bringing the ends back to the front. Tie a bow.
