Notes

- Stamp the large image from Moroccan Nights in Dapper Denim ink with the center about 1½" from the end and centered on the Very Vanilla strip. I used the circles in the patterns along the center line. Repeat to the end. Punch out the center of the first image with the 1½" Circle punch. Trim the end. Allow to dry.
 - (I drew arrows in fine-tip permanent marker to make this easier.)
- Cut out the Dapper Denim card stock with the bottle tag. Keep the circle and the little hole pieces. Crease the score line.
- Place Tear & Tape Adhesive along all four sides of the Copper Foil. Place another strip diagonally in the center (in the same direction of the detailed die.
 
- Cut with the detailed and the filigree dies and the Big Shot. Run it through again to cut another filigree. The Die Brush is very helpful to remove the bits & pieces.
- Rub both pieces of Very Vanilla card stock with the Embossing Buddy. Stamp the border image along both sides of the strip and the star or one of the lanterns in the center of the circle in Whisper White Craft ink. Cover with Copper Stampin' Emboss Powder. Remove the extra. Heat with the Heat Tool.
 - (You could use VersaMark™ but it's very difficult to see the ends of the border.)
- Wrap the strip around the bottle and adhere with Tear & Tape Adhesive.
- Remove the tape backing from the Copper Foil pieces. Adhere the detailed piece in the center of the tag. Replace the Dapper Denim hole pieces and adhere the filigree pieces over the holes.
- Adhere the Dapper Denim circle to the center of the detailed piece.
- Place 4 Stampin' Dimensionals on the back of the Very Vanilla circle. Loop the Copper Thread around in figure eights. Adhere over the Dapper Denim circle.
- Place over the bottle.
