Notes

- Using water in the Stampin' Spritzer, lightly spritz the six 2¼" x 2¼" and one 2½" x 2½" Whisper White squares. Emboss these squares in the Cable Knit Dynamic Textured Impressions™ Embossing Folder. **Note:** You will only need one plate and that should be on top. You will only be able to fit four squares at a time.
- Place the clear box sleeve in the Cable Knit and run through the Big Shot with same "sandwich" as above.
- Assemble the box and slide it into the embossed sleeve with the opening at the top.
- Score the six 2¾" x 5½" Whisper White pieces at 2 ¾" and crease for the gift tag bases.
- Adhere the six Cherry Cobbler 2½" squares to the front of the tags.
- Use the handheld punch to cut holes in the upper left corners of each tag.
- Fold six of the pieces of Baker's Twine in half and thread into the holes with a lark's head knot. 
- Stamp the remaining 2½" square with a greeting from Tin of Tags in Cherry Cobbler ink. I used *Spread some Christmas cheer*. 
- Place the *To* and *From* stamps at the bottom left of the D block and *This is for you* (or another greeting) centered at the top of the block. Stamp the insides of the six tags.
- Cut the greeting with the #4 Smooth Circle Framelits™ and use the #4 Scallop Circle Framelit™ to cut the center of the large Cherry Cobbler square.
- Adhere the stamped circle to the scalloped circle.
- Adhere the large Cherry Cobbler square to the top of the box. Adhere the large embossed white square to the Cherry Cobbler layer. Adhere the circle to the center with Stampin' Dimensionals. Tie a small bow and adhere it to the upper edge of the circle with a Mini Glue Dot.
- Adhere the embossed white squares to the tag fronts.
- Use the Envelope Punch Board to make the envelopes. The first punch will be at 2½". It's easiest to stack three or even all six and punch and score at the same time.
- Place the envelopes and tags in the box.
