Notes

1. Punch one or two peppermint candies with the ½" Circle punch. Place a Stampin' Dimensionals on the back and temporarily adhere to the Silicone Mat. Cover generously with the glue in the Fine-Tip Glue Pen. Allow to dry. (1-2 hours)
2. Use the general directions on the Gift Box Punch Board to make a box with the Real Red card stock. You will use the S mark for the Start Line and XL for the Diagonal Line. I just used the Reverse Punch for 2 of the top flaps. You will need to trim the inside corners since they will be wider than the box.
3. Wrap the Designer Series Paper® strip around the box. Use the Bone Folder to crease these folds. You will have four 2" sections and just a bit on the end. You will glue this end on first and cover with the other end.
4. Stamp the gingerbread man in Crumb Cake ink on the Whisper White card stock. Punch out with the Cookie Cutter punch. Punch a tiny heart from the Red Glimmer Paper and adhere to the gingerbread man. Add the peppermint candies.
5. Use the Banner punch on one end of the Crumb Cake card stock. Stamp To and From at the very bottom.
6. Center the other end of the tag in the Scallop Tag Topper punch. It will be easier if you add a 2" x 4" piece of grid paper to your punch.
7. Wrap the Real Red ¾" Stitched Edge Ribbon around the top of the box. Start a square knot. As you complete the knot, catch a piece of Baker's Twine into the knot.
8. Adhere the Baker's Twine to the top of the tag. Adhere the gingerbread man over the twine.
9. Fill the box with candy, a gift card, or a diamond bracelet. ☺

If you do not have this Designer Series Paper®, use any Christmas Designer Series Paper® or stamp your own on Whisper White card stock.
