Notes

1. Score the Thick Whisper White card stock at 5" and 5½". Then fold and crease.
2. Apply Tear & Tape Adhesive to the ½" section of both pieces and adhere these inside the spine of one Wide Case.
3. Use Tear & Tape Adhesive to adhere the small bags to the inside of the case and each "page" of the card stock. These will hold the Tagger sets. I used the same bags I send them in, cut down to about 3" so they make nice pockets.
4. If they fall out of the pockets too easily, put small magnets to hold the ball chain.
