Notes

1. Score the Thick Whisper White card stock at 4¼". Then fold and crease for the card base.
2. Stamp the border image from Floral Phrases in Tranquil Tide ink on one long edge of the Tranquil Tide card stock. Adhere to the 4⅞" x 5⅝" Thick Whisper White layer.
3. On a piece of scrap paper, mark a line where you will place the bottom of your card stock. Draw another line 2⅞" above that. This is where you will stamp the floral image.
4. Pick up Powder Pink ink with a sponge dauber and ink the large flower. Use another dauber to ink the edges of the flower with Berry Burst ink. Use another dauber to ink the leaves on the bottom of the stamp with Tranquil Tide ink. Stamp the center of the card at that 2⅞" line. Stamp off any extra ink of another color that might be on the daubers. Ink the stamp the same way. Stamp on the sides of the center image. I was able to stamp both sides without reinking by avoiding pressing down on the outside half of the stamp.
5. Tie the ribbon around the longer side of the D block and tie a knot. Trim the ends. Snip about 2" from the knot. Wrap around the white layer under the stamped images and adhere to the back.
6. Adhere the white layer to the card base.
7. Stamp the label outline in Berry Burst ink on the scrap of Thick Whisper White card stock. Stamp the greeting (I used You're the Best) in the center of the label. Punch out with the Pretty Label punch. Adhere over the ribbon with Stampin' Dimensionals.
