Notes

1. Score the Thick Very Vanilla card stock at 5½". Cut off 1½" from the small side (retain). Fold and crease for the card base.
2. Rub the Watercolor Paper with the Embossing Buddy. Stamp the pens in VersaMark™ ink. Cover in Gold Embossing Power and remove the extra. Use the Heat Tool to emboss.
3. Add a drop of VersaMark™ Refill to the lid. Use the Aqua Painter to paint some or all of the pens. You will not see what you are doing. Cover in Clear Embossing Power and remove the extra. Use the Heat Tool to emboss.
4. Place the Watercolor Paper on paper towels. Add 10 drops of Tempting Turquoise Ink Refill to the Stampin' Spritzer. Fill with water or alcohol and shake well. Spritz the Watercolor Paper. Allow to dry. Speed drying with the Heat Tool.
5. Adhere the Gold Foil Pieces to the small panel and the small flap of Very Vanilla.
6. Decide if you want the card to be landscape or portrait.
7. Adhere the Watercolor Paper to the Tempting Turquoise card stock. Put adhesive on about 1" of one (narrow) end of the Tempting Turquoise and adhere it to the flap of the card. Align the small panel to the other end of the card. Add adhesive to about 1" of the other end of the Tempting Turquoise. Close the card to adhere.
8. Stamp the greeting in the gap, actually the inside of the card.
