## Notes

**Swaps** (card front only)

- Cut the graph paper to 4" x 5¼" (the same size of the card stock you are cutting) Position the #2 Smooth Layering Squares Framelits™ where you want it and tape it in place.
- Place the graph paper on the 4" x 5¼" Soft Sky and cut it in the Big Shot.
- Cut the ¾" Soft Sky square with the #1 Scallop Layering Square Framelits™. Position the #2 Smooth Layering Squares Framelits right in the middle of the Soft Sky scallop piece.
- Place this piece in the Quilt Top Textured Impressions Embossing Folder and emboss in the Big Shot.
- Place the cut Soft Sky piece or the graph paper (with the large area on top) on the 4¼" x 5½" Whisper White. Position the most solid bunny with the Stamp-a-ma-jig or the Stamparatus. Remove the Soft Sky card stock and stamp the bunny in Sahara Sand ink.
- Stamp the middle bunny right over the first stamp in Crumb Cake ink.
- Stamp the most detailed bunny right over the first two in Soft Suede.
- Tie the ribbon in a bow around the C block. Snip the ribbon about 2" from the left side of the ribbon. Adhere the ends behind the quilted Soft Sky card stock about ¾" from the top.
- Stamp the greeting (Sweet little somebunny) in Soft Suede ink on the Whisper White strip. Center the strip in the Everyday Label Punch and punch.
- Adhere the white label on the ¾" Soft Sky strip. Put the label in the punch. Pull out one end out through the hole. Punch just one end, leaving a narrow end of blue. Repeat to cut the other end of the label.
- Adhere the scallop frame around the quilted cutout. I used Multipurpose Liquid Glue.
- Adhere the quilted Soft Sky piece over the Whisper White piece with lots of Stampin' Dimensionals.
- Adhere the greeting label just under the ribbon with Stampin' Dimensionals.
