Notes

1. Cut two crate pieces from the Crumb Cake card stock. Place the flat end on the edge of the card stock and then rotate the Framelit for the second cut for efficient use of your card stock. You will then be able to use the end for step 3.
2. Stamp all three pieces with the Hardwood background stamp in Crumb Cake ink.
3. Stamp the greeting "Happy day, happy year, happy life" in Real Red ink on the hardwood stamped scrap of card stock. Punch with the Tailored Tag Punch. Sponge the edges with a Sponge Dauber and Crumb Cake ink. Adhere to the crate front with Stampin' Dimensionals.

4. Assemble the crate:
 - a. Crease all the score lines (green).
 - b. Add adhesive to the tab A on both pieces. Adhere Tab A of one piece to the End of the second piece. Fold on the score line and Tab A of the second piece should line up with the End of the first piece. (Match the bottom or score lines, as the end is a bit taller than the side).
 - c. Add adhesive to Tab B on one piece. Fold the bottom of that piece in and attach Tab B.
 - d. Add adhesive to the second Tab B and bottom. Tuck the tab behind the end and press the bottom.
5. Ink the Simple Stripes folder with Real Red ink on the side with Sizzix and the Stampin' Up!® logo. Add the tissue paper and run through the Big Shot. Ink the folder again, rotate the tissue paper, and run it through the Big Shot again. Tuck the plaid tissue into the crate.
6. Tie a bow with the ribbon and adhere it to the side of the tag.

HAPPY YEAR
HAPPY LIFE
