Notes

1. Crease the card base on the score line.
2. Select a Delightfully Detailed Laser Cut panel. This card will have both Very Vanilla and Whisper White and the Laser Cut Panel has both. Select either side. Adhere to the card front. A Stamping Sponge and Multipurpose Liquid Glue work well for this delicate paper.
3. Use a Bone Folder to curl the Mint Macaron card stock back and forth, breaking down the fibers. You should start to see the ends separate into two layers. Gently pull those layers apart. If one side starts feeling thin, hold the thin side flat on the table and gently pull up on the other side. You can also move to the other end and work from there toward the middle.
4. Flag the ends of both pieces with the Banner Triple Punch.
5. Trim the Blackberry Bliss pieces to a bit less than the Mint Macaron pieces. Flag the ends of these pieces as well.
6. Adhere on Mint Macaron strip on the inside bottom edge of the card. Top with the Blackberry Bliss strip. Then add a strip of the laser cut border to bring some Very Vanilla to the inside of the card.
7. Repeat the Mint Macaron and Blackberry Bliss strips on the front of the card, half way up the middle. Add a 4" strip of the Whisper White ⅝" Polka Dot Tulle Ribbon.
8. Stamp the greeting in Blackberry Bliss ink on the Very Vanilla card stock. Use the Detailed Trio Punch to punch the flower corner in diagonal corners, then the rounded corners on the remained corners of the card stock.
9. Add a couple of Faceted Dots to the label.
