## Notes

- Gently adhere the Shimmery White card stock to a waterproof surface with Mini Glue Dots. (I used an empty stamp case) Squeeze ink into the lid of the Mango Melody and Melon Mambo ink pads. Generously spritz the card stock with water and a Stampin' Spritzer. It is OK to leave some areas dry. Paint some of the Melon Mambo ink onto opposite corners of the card stock with an Aqua Painter or a watercolor brush. Paint some of the Mango Melody ink on the diagonal between the Melon Mambo. The ink may mix and that's OK. Pooling, mixing, and dry areas add to the interest. Set aside to dry. You can hurry that process with the Heat Tool, but remove the paper from the stamp case first.
- Score the Mango Melody card stock at 4¼". Then fold and crease for the card base.
- Stamp the flower cluster and the bee on the Whisper White card stock in StāzOn® ink. Color the leaves with the Old Olive Watercolor Pencil. Paint the leaves with the Aqua Painter and water. Paint the flowers with the Aqua Painter and Mango Melody ink (squeezed into the stamp pad lid). Adhere this layer into the inside of the card.
- Place the Shimmery card stock on the card front about ¼" up from the bottom. Stamp the fine spatter in Melon Mambo ink so the image is on both the card front and layer. Stamp the woven image in Mango Melody ink on the bottom right corner of the Shimmery layer and next to the Melon Mambo spatter.
- Stamp the bee in StāzOn® ink above the spatter. Color the stripes with the white watercolor pencil. Paint the bee with Wink of Stella.
- Adhere the Designer Series Paper® to the left side of the card front.
- Proceed when the Shimmery White layer is dry.
- Stamp the greeting in the middle of the watercolor layer.
- Emboss the layer with the Subtle Dynamic Embossing Folder, if desired.
- Adhere to the card front with Stampin' Dimensionals just a bit higher than it was when you stamped the spatters. This will cover the natural gap of the spatter.
