Notes

1. Score the Tranquil Tide card stock at 4½". Then fold and crease for the card base.
2. Fold the 4" square of scrap paper in fourths. Set it in the corner of the Stamparatus. Set the lace border along the very edge of the scrap paper. Close the Stamparatus to pick it up. Stamp the border with Tranquil Tide. Rotate the paper. Stamp and rotate again. Set the two small flower stamps along an imaginary circle inside the lace border and in one quadrant of the paper. Close the Stamparatus to pick up the flowers. Ink and stamp the scrap paper to check for placement. Adjust, if needed.
3. Stamp all four sides of 4" square of Whisper White card stock in Tranquil Tide ink.
4. Place the small flower in the corner between the border and stamp on all four corners.
5. Bring back the scrap paper and place the lace background on one half of the paper. Pick up the stamp. Stamp the card stock in Soft Sea Foam ink. Rotate 180° and stamp again.
6. Use the Stamparatus to stamp the birthday greeting in Blackberry Bliss ink over the lace.
7. Stamp the large flowers in Tranquil Tide ink on the inside of the card.
8. Use the Wink of Stella to loosely color the flowers in Blackberry Bliss ink. Minimize the liquid and avoid too much brushing back and forth.
9. Adhere the large Whisper White piece to the inside of the card.
10. Tie a bow with the ribbon around the bow maker. If you don't have a bow maker, you can tie the bow free-hand. Wrap the ends of the ribbon around the Designer Series Paper.
11. Adhere the wreath to the top of the card front.
12. Adhere the Designer Series Paper to the bottom of the card front.
