Notes

- Score the Shaded Spruce card stock at 4¼". Then fold and crease for the card base.
- Using the Stamparatus, stamp the Buffalo Check pattern in Shaded Spruce ink on one of the 5¼" x 4" Very Vanilla pieces. Since the stamp is larger than the paper, you won't be able to use the magnets. Use a Glue Dot to hold the paper in place. Adhere to the card front.
- Stamp just the edge of the other 5¼" x 4" Very Vanilla piece with the Buffalo Check. Adhere to the inside of the card.
- You could also stamp the flap of the envelope with the Buffalo Check (use a scrap of paper to mask the rest of the envelope.)
- Use the Stamparatus to stamp the large rectangle in Merry Merlot ink on the 4¼" x 3" Very Vanilla piece. Allow to dry. To facilitate this for multiples (as I'll do for the class), cut out a 4¼" x 3" rectangle from a scrap of Very Vanilla card stock so you'll know exactly where to place the card stock. Without moving the stamp from the Stamparatus, clean the stamp with the shammy. Rub the card stock with the Embossing Buddy. Stamp again with VersaMark in the exact same place. Sprinkle with Clear Stampin' Emboss Powder. Use the Heat Tool to melt the powder.
- Remove the backing from the Multipurpose Adhesive Sheets. Apply to the same-size Shaded Spruce and Merry Merlot card stock. Cut Thank You from the Merry Merlot card stock, the detailed leaf from the Shaded Spruce card stock, and the solid leaf from the Designer Series Paper.
- Adhere the smaller Very Vanilla layer centered on the card front. Remove the backing from the Thank You and adhere the greeting to the frame. Remove the backing from the detailed leaf and adhere the leaf to the Designer Series Paper. Adhere the leaf to the lower right corner of the frame.

This card would look great with just about any other color ink and paper. You could use any word Thinlits™ or a stamped image in the frame.
