Notes:

- Score the Berry Burst card stock at 4 1/4". Fold and crease for the card base.
- Gently spritz the Vellum. You can use water or alcohol, but I use Stampin' Mist since I always have it handy in my craft room. Emboss the Vellum with the embossing folder. Allow to dry.
- Stamp the flower and leaf in Sahara Sand ink on the bottom of the 2 1/2" x 4" Thick Whisper White. Stamp the hummingbird near the top.
- Pick up some Sahara Sand ink on a block. Using the Aqua Painter, color the bird beak, the flower stamen, the bird's body and head, and the front edge of the wings.
- Pick up some Call Me Clover ink. Color the leaf, tail, and wings.
- Pick up some Calypso Coral ink. Color the flower petals.
- Pick up some Berry Burst ink. Color the hummingbird's face and neck.
- Add some sparkle to the wings and face with Wink of Stella.
- The hummingbird's eye kind of disappears. Once the ink is dry, color the eye with the Journaling Pen.
- Stamp Thank You in Call Me Clover ink on the scrap of Whisper White card stock. Punch with the Pretty Label Punch. Sponge the edges in Berry Burst ink.
- Squirt some Multipurpose Liquid Glue on the Silicone Mat. Use a bit of Stamping Sponge to daub the glue on the back of the Vellum. This avoids having the adhesive show through. Adhere to the card front.
- Adhere the colored Whisper White to the Calypso Coral card stock. Adhere to the lower left corner with Stampin' Dimensionals.
- Add the label with Stampin' Dimensionals to the upper right corner of the colored piece. I used two stacked Stampin' Dimensionals on the right side and a single Stampin' Dimensional on the left side. If mailing, you may want to use one on the right and adhere directly on the left side.

14. Color one Rhinestone of each size with the Dark Calypso Coral Stampin' Blends™.
15. Add the Rhinestones to the Vellum under the label. I find the Take Your Pick Tool to be very helpful!
16. Add the 5 ¼" X 4" Whisper White card stock to the inside of the card.
