## Notes:

- Score the 4 ¼" x 8 ½" Thick Whisper White card stock at 5 ½". Then fold and crease for the card base.
- Place the 2 ¾" end of the 5 ½" portion of the card base into the Tufted Dynamic Textured Impressions Embossing Folder and roll through the Big Shot.
- Stamp "Celebrating another year of happiness!" in Old Olive ink on the flat portion of the inside.
- Ink the larger lily in So Saffron ink. Use a Sponge dauber to add just a bit of Old Olive ink to the tip and base of the flower. You may want to use a marker or Blender Pen to add extra color to the stigma. Stamp on the 2 ½" x 3 ¾" piece of Whisper White card stock toward the upper right corner.
  - This is a DistINKtive stamp. If your ink pad is not just right, they can be a bit tricky to get the high quality image this style of stamp can deliver. Stamp on scratch paper to see if it looks right. You may need to add ink to the stamp pad. If there's too much ink, you can use a spoon or credit card to push extra ink into the pad and/or to the edges.
- Stamp the stem in Old Olive ink under the flower and then add the leaf, overlapping the stem.
- Adhere the stamped piece to the Old Olive layer.
- Use the Well Written Framelits™ to cut "happy", "birthday" and/or "wishes" from either Whisper White or Old Olive card stock. If using Whisper White card stock, sponge the words in Old Olive ink.
  - Tip: Cut all of the pieces from the Framelits™ set from Whisper White card stock. You can then have the extras on hand for another card. The words can be sponged or stamped with any color.
- Punch one end of the 1 ½" x 3 ½" Whisper White piece with the Tailored Tag Punch to flag the ends.
- Adhere the flag piece to the front ½ portion of the card front so that the flagged end is near the right side of the card.
- Adhere the lily piece to the front portion (over the flag) with Stampin' Dimensionals.
- Add the die cut words on the flag. It's OK to overlap the stamped image.

Here's a sample with just Lasting Lily. In this case, the flag piece is 1" x 3 1/2"
