Notes:

1. Score the Basic Black card stock at 4 ¼". Fold and crease for the card base.
2. Adhere the 5 ¼" x 4" Whisper White layer to the inside of the card.
3. Cut the long rectangle, large square, and 2 of the smaller rectangle window frames from the Black Foil Sheet. The Precision Base Plate will make it easier to get a great cut.
4. Adhere the window frames to the Window Sheet. Put the long one on the left side, and the square one between the smaller rectangles. Use the Fine Tip Glue Pen. Place the Silicone Mat on top of the frames while the glue sets for a few minutes.
5. Color the back of the Window Sheet with Stampin' Blends™ as you like. Try not to let the colors mix. Do not color in the center of the square. I suggest 3 colors in patterns of your choice. It's fine to leave some or even all of it uncolored.
6. Adhere the Sparkle Glimmer Paper to the left, top, and bottom of the 5" x 3 ¾" Whisper White piece.
7. Stamp the greeting in the open area of the Whisper White layer.
8. Adhere the Window Sheet to the Glimmer Paper with Mini Glue Dots in just the corners.
