Notes:

- Score the card stock at 8 1/2" square Seaside Spray card stock at 4 1/4" in both directions. Score from the center to the bottom right corner. Trim a narrow wedge as shown in red.
- Flip the card stock over and use the #1 Circle Stitched Shapes Die to cut from the upper right corner. You will need to fold the card stock under the cutting plate.
- Stamp the fern in Old Olive ink randomly around the circle.
- Stamp the daisies in Crushed Curry ink two times each on the long Whisper White strip. It will be easier to punch the daisies if you stamp one petal pointing straight down to the bottom edge of the card stock.
- Punch out the daisies with the coordinating punches.
- Stamp the large daisy in Crushed Curry ink in the center of the 4" x 4" Whisper White piece.
- Stamp the stem in Old Olive ink from the daisy to the corner.
- Stamp the stem on scratch paper and cut out for a mask. Cover the stem with the mask. Stamp the fern in Old Olive ink on either side of the stem.
- Stamp the greeting in Old Olive ink on the Whisper White strip. Cut out with the #2 Circle Stitched Shapes Die.
- Flip the card base back. Adhere the Designer Series Paper to the top right corner. Adhere the Seaside Spray circle to the center of the Designer Series Paper. You can fold the card base to place it in the center of the cut out. Adhere the Whisper White circle to the center of that.
- Adhere the stamped Whisper White square to the bottom left corner. The stem bottom should face as shown in the diagram.
- Put adhesive on the bottom center triangle as shown with the black arrow. Fold down and back on the diagonal score line and then fold the square section up. Fold the bottom left square up and then close the card. The triangle should adhere behind the square with the stamping. The stamped daisy should show on the front of the card. (This is the section that was randomly stamped with the fern.)
- Adhere a large punched daisy with a Stampin' Dimensional in the center of the circle. Add the other large daisy (slightly

twisted) with Multipurpose Liquid Glue. Add the two medium daisies over the large ones. Add a Floral Center.

14. This card will fit nicely in a Clear Medium Envelope with the flap pulled down. If mailing, you will need to adhere a sticker to the envelope for the addresses and stamp. Square envelopes require extra postage in the US.
