

Cut the Rococo Rose card stock pieces with the Perfect Parcel Die. Fold and crease all score lines including the diagonals. The top of the box has the straight side. The bottom has the flaps.

1. Rub the Rococo Rose pieces with the Embossing Buddy. Stamp the border stamp in VersaMark ink. Sprinkle with the Copper Stampin' Emboss Powder. Return remainder of the powder to the jar. Heat the card stock with the Heat Tool.
2. Stamp the top of the box with the three flowers in Rococo Rose ink. Fill in the leaves with Mossy Meadow ink.
3. Use Multipurpose Liquid Glue to adhere an end tab to the other side of the other piece. Hold for several seconds to bond. Repeat with the other end tab.
4. With the bottom side up, push down all the flaps so they go into the box. Fold up the diagonal sections of bottom flaps. Apply glue to the triangle sections and fold the box flat. Allow to set.
5. Punch the Mossy Meadow scraps with the Sprig Punch two times.
6. Make a bow with the Bow Maker and the 1/2" Gathered Ribbon.
7. Open the folded box until the bottom sections catch. Close one side of the box top and then the other. They will overlap slightly. Fold the ends of the top on the diagonal score lines until they come to a point. Tuck the point into the slots on the box ends.
8. Adhere the ribbon with Mini Glue Dots just one edge of the box with the bow in the middle.
9. Add Mini Glue Dots to the Mossy Meadow sprigs and adhere them under the bow.
10. You will be able to store this box flat and assemble it again without disturbing the embellishments.
