By Bev Adams, bevadams@verizon.net, www.BevAdams.com

Notes:

1. Adhere the Perennial Essence Designer Series Paper inside the card front to the top and bottom edges. The back side will show when the card is open. Pay attention to the direction of those designs.
2. Fill the Spritzers with alcohol to about 3/4" from the top. Add 4 drops of the Shimmer Paint and 10 drops in each. Put 10 drops of Blackberry Bliss ink (Refill) into one and 10 drops of Mossy Meadow ink into the other. Shake each well.
3. Spritz the Old Olive Vellum with the Mossy Meadow and the Petal Pink Vellum with the Blackberry Bliss. Note: the Vellum has a dark and a light side. I used on the dark side.) I put them into small boxes, one for each color. Be sure to check which way the spray will go! The Vellum will curl when wet, but straighten out a lot as it dries. Allow to dry. You may want to use the Heat Tool. Be careful when working with alcohol and the Heat Tool!
4. Stamp the 3 petal flower in Blackberry Bliss ink six times on the Petal Pink Vellum. Allow to dry, then punch out.
5. Stamp the solid leaves in Mossy Meadow ink two times on the Old Olive Vellum. Allow to dry. (Ink does not dry quickly on Vellum! I would give it a couple of hours to dry, just to be sure, or use the Heat Tool.) Punch out the leaves with the Leaf Punch. Punch out two Sprigs with the Sprig Punch.
6. Stamp the greeting in Blackberry Bliss on the Very Vanilla card stock. Punch out with the Story Label Punch. Punch 2 of the same labels from the Blackberry Bliss card stock. Adhere the Very Vanilla label to one Blackberry Bliss label with just a tiny bit of the Blackberry Bliss showing on the top edge. Repeat with the other Blackberry Bliss label with just a bit on the bottom edge.
7. Adhere the greeting label to the bottom right corner of the card front with Stampin' Dimensionals.
8. Adhere one sprig so the bottom of the sprig is just over the label.
9. Adhere the other sprig so the tip is about 1 1/2" down from the top and about 1/4" from the fold of the card. The bottom should point toward the center of the card front.
10. Adhere one stamped and punched leaf just above the first sprig with the tip point up the upper right corner of the card.
11. Adhere the second leaf with the stem toward the center of the card and the tip is about 1/2" from the bottom left corner of the card.

12. Adhere one three-petal flower between the right hand sprig and leaf.
13. Adhere another flower between the label and the left edge of the card.
14. Adhere a third flower forming a triangle with the first two
15. The flowers should cover up all of the leaves' stem ends. If not, adjust them now before the adhesive sets.
16. Adhere a second flower over each of the first three so the petals are staggered.
17. Adhere a Gold Faceted Gem to each flower.
