Notes:

1. Fold and crease the card base.
2. On another card base, stamp the large Magnolia in Soft Suede ink.
3. With the Light Petal Pink Stampin' Blends™ marker, color each petal closest to the flower center and out a bit on the lines on some of the petals.
4. With the Light Old Olive Stampin' Blends™ marker, color a bit of the leaves. I left some areas white.
5. Cut out the flower. It's OK to leave a bit of the white around the outside.
6. Adhere a card base of your choice to the card front.
7. Stamp the greeting in Mossy Meadow ink near the top of the card.
8. Adhere the cut out flower with 3 Stampin' Dimensionals.
