Notes:

- Score the Seaside Spray card stock at 4" and 6" for the base.
- Place the 1 1/4" scrap at the crease of the base to measure from the crease to the end. Set the flat side of the snow globe die against the scrap, center, and cut. Repeat on the other side.
- Stamp two snow globe bases in Smoky Slate ink and two houses in Soft Suede ink on the 5 1/2" x 4 1/4" Thick Whisper White card stock. (Optional: Use the Seaside Spray Stampin' Blends™ to color just the bottom of the snow on the trees, the top edge just under the house, and the outside edges of the base.) Cut out with the coordinating dies.
- Cut two sets of trees from the Garden Green card stock
- Score the Thick Whisper White card stock strip at 3/4", 2 3/4", 4 3/4". Adhere at the center fold to about 1 inch down.
- Adhere each house to a set of trees. Fold the Whisper White strip in half and crease. Adhere one house with the bottom about 1" down from the center fold. This support is 2", so if you cut your 1 1/4" spacer down to 1", it will make this step easy. Adhere the other house to the other side of the folded strip so that they are back-to-back. There are 3/4" tabs on the ends. Adhere these to the center section of the Seaside Spray, placing the ends of the tabs at the crease of the base. There will be a 3/8" gap in the middle.
- Adhere the snow globe bases on each side of the card stock base with Stampin' Dimensionals.
- Slide the card stock base into the Gusseted Cellophane Bag. The bottom of the bag will flatten. You may want to adhere the sealed end of the bag so it lays flat.
- Add candy to just below the house.
 Caveat: The candy is not sealed. All Stampin' Up! products (except for the new Stamp Cleaning Pad) are non-toxic, and the bags are food safe. But I doubt most craft rooms would pass any commercial kitchen health inspections. I know mine wouldn't!
- Fold the sides of the bag in. The sides should fit between the trees.
- Crease the Whisper White square at 1 1/2". Stamp Season's Greetings in Smoky Slate ink on one side close to the crease. Stamp the other greeting on the other side.
- Fold the top of the bag down about 3/8". Staple the center of the ribbon to the center of the fold.
- Adhere the longer greeting to over the ribbon with Tear & Tape Adhesive.
- Tie the ribbon around the topper and tie in a bow.
