## Notes:

- Score the Thick Whisper White card stock at 2 1/8" and 4 1/4". Fold and crease for the card base.
- Position the Stamparatus plate at the 3<sup>rd</sup> gap from the top. Fold the card base at the 4 1/4" crease. Position the leaves so they will stamp on the bottom edge of the card right in the middle. Move the Stamparatus plate up one space and stamp again. Repeat to stamp to the end. Move the plate down to the 4<sup>th</sup> gap and stamp. Repeat to stamp to the other end. Fold the card back the other way so this border is on the inside.
- Stamp "The journey of life is best shared with a friend. We'll get through this together" in Early Espresso ink in the center of the 4 3/4" x 3 1/2" card near the bottom.
- Place a clean Silicone Mat in the corner of the Stamparatus and position the deer in the bottom left corner of the mat. You can place the stamped layer underneath to make sure it fits. Remove the mat.
- Place the card layer in the same place the bottom left corner where the mat was. Stamp the deer directly onto the card with the Stamparatus.
- Ink the deer in Early Espresso ink and stamp on the Silicone Mat. It may be a good idea to reink and stamp it a second time. Flip the card over with the corner of the card on the corner of the Silicone Mat. Rub to stamp it in reverse.
- Adhere the stamped layer to the foil layer.
- Adhere the foil layer to the Early Espresso layer with Stampin' Dimensionals.
- Adhere only the bottom half of the Early Espresso layer to the card base.
- Adhere Designer Elements so they form a stop for this easel card.
