Notes:

1. I think the Flirty Flamingo ink goes well with any of the four colors of cards and envelopes. Select one, then fold and crease the card base.
2. Stamp the cake in Flirty Flamingo ink on Whisper White card stock. If you do not have the Whisper White card stock, you can sacrifice another card base.
3. Stamp *It's your day!* in Basic Gray ink over the bottom layer of the cake. Punch out with the 2 ¼" Circle Punch. If you do not have the punch, you can "fussy cut" the cake or cut the piece out in a square shape with scissors or the Paper Trimmer.
4. Stamp the candle in Basic Gray ink on the same Whisper White card stock. Fussy cut the candle.
5. Stamp the Celebrate with Cake! Banner in Basic Gray ink on the inside of the card.

If you would like to "Step it up" you can cut a 3" x 5" piece of coordinating Designer Series Paper (I liked the plaid for this card) and adhere to the left side of the card front.

6. Adhere the cake cut-out to the card front with Stampin' Dimensionals.
7. Use Multipurpose Liquid Glue to adhere the candle to the cake.
