Notes:

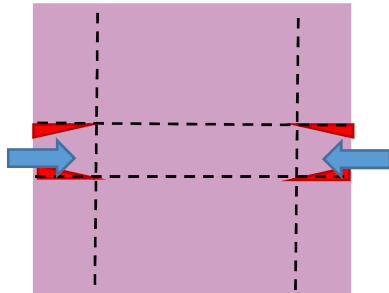

1. With the longer side of the larger Merry Merlot card stock at the top, score at ½", 1¾", 3¾" and 5". Fold all as "Mountain Folds" and crease for the card base. The largest panel is the top of the card.
2. With the longer side of the smaller Merry Merlot card stock at the top, score at ½", 1¾". Fold as "Mountain Folds" and crease for the top pop-up.
3. Adhere the largest Designer Series Paper piece to the top of the 4¼" x 10½" Merry Merlot card base. Fold the bottom of the card base and adhere over the Designer Series Paper.
4. Adhere the 4" x 1¾" Designer Series Paper on the 2" panel (front) of the box.
5. Adhere the ribbon across the middle of the 2" panel over the Designer Series Paper. Trim at a diagonal.
6. Fold the box section of the card base up. Fold the 3" x 5½" piece Merry Merlot piece at the 1¾" crease. Align this fold to the top of the card. Adhere the bottom over the Designer Series Paper on the box of the card base. This alignment allows the card to fit in a standard medium envelope.
7. Adhere to the roses on burlap piece of Designer Series Paper centered on the top pop-up and about ¼" down.
8. Cut the 3¼" x 4¼" Rococo Rose with the rectangle Heirloom Frames Die. Emboss the frame with the coordinating 3D folder.
9. Use the 1" Circle Punch to cut a piece from either the Merry Merlot or Rococo Rose scrap. You will use this to make the flower.
10. Adhere the frame to the top pop-up.
11. Cut the 3¼" x 2" Rococo Rose card stock with the middle-size Petal Labels Die. Adhere to the bottom of the Rococo Rose frame with Stampin' Dimensionals.
12. Stamp *Happy Birthday* in Merry Merlot ink in the center of the Whisper White card stock. (You may want to cut first and then stamp... whichever is easiest for you.) Cut out with the smooth oval Petal Labels Die. Sponge around the label with Rococo Rose ink. Flick ink from the Merry Merlot Stampin' Write Marker, if desired. Adhere to the Rococo Rose label with Stampin' Dimensionals.
13. Adhere the 6 Washi petals around the 1" Rococo Rose circle (from step 8). The white tips should be in the center. Dust the back of the petals with the Embossing Buddy. Add the Perennial

Essence Floral Center to the center of the rose. Adhere inside the frame. I have it off center to the left.

This card fits in a standard medium envelope, but my need extra postage due to the several layers with Stampin' Dimensionals and the Floral Centers.

For the optional box:

1. With the short side on top, score 1 $\frac{15}{16}$ " which is just one tiny mark less than 2". Turn so the other short side is on the top and repeat for the other side.
2. With the long side on top, score at 1 $\frac{1}{4}$ " on each side.

3. Trim as shown.
4. Crease all the score lines.
5. Put adhesive on the tabs where the arrows are pointing.
6. Fold one side panel over the tab on each side.
7. Add adhesive to the outside edge of the other side panel and close the box.
