## Notes:

- Score the Blueberry Bushel card stock at 4 ¼". Fold and crease for the card base.
- Stamp *Happy Birthday* in Blueberry Bushel ink on the top half of the 5 ¼" x 4" Whisper White card stock. Stamp just the single flower in Soft Sea Foam ink on the bottom left corner. Adhere inside the card.
- Stamp just the flowers in Soft Sea Foam ink on the outer edges of the Whisper White strip. Adhere the strip to the card front about 1" up from the bottom. Clean the stamp before step 5.
- Stamp *Celebrate* in Blueberry Bushel ink at the top of the Shimmery White card stock.
- Dust the Shimmery White with the Embossing Buddy. Stamp the cake in VersaMark ink under the words. Dust with the embossing powder and use the heat tool until the powder turns white and shiny.
- Ink a corner of a Clear Block with So Saffron ink. Use the Aqua Painter to pick up just a bit of the ink to lightly paint the cake. This will help you see the lines. Pick up a bit more ink and color the cake, trying to avoid the flowers. Use a bit more ink on the outside edges of the cake. You may want to darken the top of the layers.
- Put some Soft Sea Foam ink on another corner of the Clear Block and paint the leaves. It may help to refer to the image on the stamp case. If you miss a leaf or two, you can always go back and color them later.
- Put a fair bit of Blueberry Bushel ink on another corner of the Clear Block. Lightly color cake stand. Pick up more ink and color the flowers. You do not need to color each petal carefully. The embossing will help you stay inside the lines. There are some little flower buds to color as well.
- Adhere the flower layer to the card front with Stampin' Dimensionals.
