## Notes:

- Score the Daffodil Delight card stock at 4 1/4". Fold and crease for the card base.
- Adhere the Designer Series Paper to the card front.
- Score the 2" x 6" Daffodil Delight strip at 2" and 2 1/2".
- Punch corners of the longer end of the 2" x 6" Daffodil Delight strip with the corner rounder on the Detailed Trio Punch. Punch the oval hole in the middle of this same end.
- Stamp *May your birthday be memorable* in Garden Green ink in the middle of the 1 7/8" x 3 7/8" Whisper White piece. The b in birthday will go off the edge a bit.
- Stamp the Hibiscus in Real Red ink on the 5 1/4" x 4" piece of Whisper White card stock. Adhere to the inside of the card base.
- Stamp the envelope with the Hibiscus as well.
- Stamp the Hibiscus in Real Red ink on the Grapefruit Grove card stock. Cut the flower with the coordinating In the Tropics die.
- Cut the two of the larger leaves and two of the embossed leaves from the Garden Green scrap. Spritz the two large leaves with alcohol or Stampin' Mist and scrunch tightly. Carefully open and allow to dry. When dry, Adhere the embossed layers to the scrunched layers.
- Use the Crumb Cake stamp pad to ink the inside of the embossing folder on the side that has Stampin' Up! printed on it. Place the 2 3/4" x 4" piece of Crumb Cake onto the clean side. Close the folder and run through your die cutting & embossing machine. The typical "sandwich" is the platform, the folder with the card stock, and the 3D Embossing Folder Plate.
- Adhere the 1 7/8" x 3 7/8" Whisper White layer to the 2" x 4" Daffodil Delight layer. Adhere the 2 3/4" x 4" embossed Crumb Cake to the 3' x 4 1/4" Daffodil Delight layer.
- Slide the 3 1/2" x 4 3/4" Garden Green layer into the Classic Label Punch as far as it will go and center top and bottom. Punch a slot. Adhere this to the card front with Stampin' Dimensionals.
- Slide the longer end of the strip into the slot so it comes out the right side of the card. Fold the strip at the crease closest to the punched end. Adhere just the end of the 2" x 2" section with Tear & Tape Adhesive. Thread the Braided Burlap Trim into the hole of the strip. Tie with the Linen Thread.
- Adhere the 2" x 4" layer to just the 2" x 2" section of the strip with Tear & Tape Adhesive.
- Add Tear & Tape Adhesive to the 1/2" section of the strip. I used two pieces to fill that section with strong adhesive. Center the 3' x 4 1/4" layer onto the card. The left side should be even with the

½” section of the strip and the layer should cover the 2” x 4” layer.

16. Adhere the Grapefruit Grove Hibiscus to the embossed Crumb Cake layer with Stampin' Dimensionals. Use Stampin' Dimensionals on the backs of the leaves, slipping the stem end under the flower.
