Notes:

- Score the Soft Sea Foam card stock at 4 ¼". Fold and crease for the card base.
- Emboss the 5 ¼" x 4" Petal Pink card stock with the Parisian Flourish 3D Embossing Folder.
- Adhere the Parisian Blossoms Specialty Designer Series Paper strip to the left side of the embossed layer.
- Wrap the ribbon over the seam of the Designer Series Paper and embossed layer. Adhere the ends behind the card stock.
- Adhere the embossed layer to the card front.
- Stamp the double leaves in the bottom left corner of the Very Vanilla card stock. The stamp the small bud between the leaves. I used Soft Suede, but you could use VersaMark and emboss it with the Gold Stampin' Emboss Powder. Adhere this layer to the inside of the card.
- Rub the Petal Pink card stock with the Embossing Buddy. Stamp Stamp *May your birthday be memorable from Timeless Tropical* in VersaMark ink. Stamp the same card stock with 4 of the blossoms, also with VersaMark ink. Dust with the gold embossing powder and pour the excess powder back in the tub. Heat with the Heat tool until the powder is shiny gold.
 - You could substitute a greeting from **Forever Blossoms** or another stamp set.
- Punch out the greeting with the Timeless Label Punch.
- Slip the Gold Foil strip into the Everyday Label Punch. Pull one end out through the hole, then align the remaining end to punch just one end. Repeat to punch the other end. This makes a slightly longer punched piece.
- Adhere the greeting to the gold label with Stampin' Dimensionals. Adhere to the top right corner of the card front.
- Rub the Soft Sea Foam layer with the Embossing Buddy. Stamp the large flower sprig in VersaMark ink. Repeat the dusting and heating process.
- Cut out the flowers and flower sprig with the coordinating dies. Also cut the swirl from the Soft Sea Foam card stock. I used the Small Bloom Punch for 2 of the flowers for speed and variety.

13. Adhere the swirl piece to the card front so the ends go up next to the label.
14. Adhere the sprig over the swirl with Stampin' Dimensionals, allowing some of the swirl to show.
15. Adhere the flowers to the sprig with Stampin' Dimensionals.
16. Add Champagne Rhinestone Basic Jewels to the flower centers.
