Notes:

1. Fold the notecard and crease for the card base.
2. Stamp *You are somebody who makes everybody feel like somebody* in Gorgeous Grape ink on the inside of the card.
3. Stamp the iris outline stamp in Gorgeous Grape ink on the Purple Posy card stock.
4. Stamp *Thanks* or another greeting in the upper left side of the Purple Posy layer.
5. Stamp the more solid flowers in Highland Heather ink roughly inside the lines.
6. Stamp the stems and leaves in Garden Green ink roughly inside the lines. I tried to line up the base of the tallest flower and the leaf on the left.
7. Punch two holes on either side of the base of the leaves. Fold the ribbon and push each end through one of the holes. Pull one end to the other hole and lace it back up to the front. Repeat with the other end.
8. Adhere the Purple Posy layer to the Gorgeous Grape layer with Stampin' Dimensionals.
9. Adhere both layers to the front of the card.
