Notes:

Often I look up images on Google images to see how they are colored in real life. I found that Peonies come in a wide range of colors! I thought I'd try one in Bumble Bee for this card.

1. Score the 5 ½" x 8 ½" Bumble Bee card stock at 4 ¼". Fold and crease for the card base.
2. Adhere the 5 ¼" x 4" Whisper White card stock to the inside of the card.
3. Emboss the 5 ¼" x 4" piece in the Tasteful Textile 3D Embossing Folder. Adhere to the card front.
4. Flag the end of the small piece of Whisper White card stock with scissors or the Tailored Tag Punch. Stamp *My thoughts are with you* or another greeting in Pear Pizzazz ink on the right side of the strip near the flagged end. Lightly curl the strip with the Bone Folder.
5. Cut the Whisper White square piece with the #1 Hippo & Friends Die.
6. Ink the large peony flower with Bumble Bee and the stems and leaves in Pear Pizzazz inks. I used the stamp pad to ink the bulk of the stamp and then used the Stampin' Write Markers to fill in the parts in the middle. You could use the markers alone. You could use Stampin' Spots. You could ink all the stamp with the Bumble Bee ink pad, remove the ink from the stem and leaves and add it with the markers. Or you could try inking with Sponge Daubers.
7. Spritz the inked stamp with a pump or two of the Spritzer filled with water.
8. Stamp the image on the die cut. (You could stamp the diamond pattern on the inside layer and stamp one of the smaller peonies this same way, if desired.)
9. Adhere the greeting with the flagged end near the right side of the card about 2" up.
10. Adhere the stamped label over the greeting with Stampin' Dimensionals.
