## Notes:

1. Score the 5 ½" x 8 ½" Thick Whisper White card stock at 4 ¼". Fold and crease for the card base.
2. Stamp a small sprig of leaves in Tuxedo Black Memento ink inside the card and on the envelope.
3. Carefully line up the four 2 ¼" x 1 ¼" pieces of card stock and stamp the two sprigs of leaves. I found it's very easy to put a piece of Small Grid Paper on the Stamaparatus, put a line of adhesive, and adhere the colored card stock to the grid paper to hold them tightly together. The Stamaparatus make it easy!
4. Adhere the four colored pieces to the card front ¼" from the top, bottom, and right side.
5. Emboss the 2 ½" x 4" piece of Whisper White card stock with the Greenery Embossing Folder.
6. Tie the ribbon in a square knot around the middle of the embossed piece.
7. Adhere the embossed piece to the card front. To the left of the colored pieces.
8. The kit includes a punched 1 ½" circle as well as the remaining 2 ½" x 4" portion. This is for the greeting. If you have the punch, it's easiest to stamp the greeting on the Whisper White card stock and then punch it out. The greeting just barely fits on the circle. If that doesn't work, you can stamp on the remaining portion and cut the greeting out in a square or rectangle. Or you can stamp the greeting with the Stamaparatus on scratch paper or the grid paper, position the remaining portion so the greeting fits, place the punched circle in the opening and stamp.
