**Notes:**

1. If you have not yet cut the card stock...
  - a. With one sheet of Melon Mambo card stock with the 8 ½" side at the top of the trimmer, score at 4 ¼". Turn cut at 5 ½". This makes 2 card bases. We'll use on for this card.
  - b. With the other sheet of Melon Mambo card stock, with the 11" side at the top of the trimmer, cut at 5 ½". Cut again at 5 ¼". Turn this half sheet and cut at 4" and then cut a second time at 4". This makes 2 large layers. Save both for another project.
  - c. Cut the other half sheet at 5 ½". Stack the 2 pieces and cut again at 2 ¾". This makes 4 small layers. We'll use one for this project.
  - d. With one sheet of Thick Whisper White card stock at 5". Turn and cut at 3 ¾" then cut again at 3 ¾". One of these will go on the inside of the card.
  - e. Cut the other half of the sheet at 5". Cut again at 2 ½". Stack these. Turn and cut at 4". We'll use one of these for the front of the card.
2. In one corner of the clear block with Magenta Madness ink and another corner with Flirty Flamingo ink. Use a Blender Pen to pick up some of the Flirty Flamingo ink and color about 9" of the ribbon. Repeat with the Magenta Madness ink. Allow to fully dry.
3. Stamp the roses in Basic Gray ink all around the outer inch of the card base.
4. Stamp the same roses in Basic Gray ink in the bottom left corner of a small Thick Whisper White layer. Use the ink on the block and the Blender Pen again to color the roses. I colored with Flirty Flamingo first and then added a little Magenta Madness ink on the tips of the petals. I used the same technique to color the leaves in Shaded Spruce ink.
5. Stamp the greeting in Basic Gray ink near the upper right corner of the small layer.
6. Adhere the stamped layer to a small Melon Mambo layer. Adhere this to the front of the card with Stampin' Dimensionals.
7. Tie a bow in the colored ribbon and attach to the card with a Mini Glue Dot or a tiny dot of Multipurpose Liquid Glue.
