Notes:

- Score the full sheet of card stock 2 ¾". Turn and cut at 4 ¼". Stack the two pieces and cut both at 8 ¼". This creates 2 card bases and two small 2 ¾" x 4 ¼" layers. Fold the card bases and crease.
- Stamp the swirly design in Basic Gray ink on the end of the 5 ½" x 4" Whisper White layer. If you're making a lot, it's a good idea to use a Stamaparatus. Adhere this to the inside of the card base.
- Adhere the Designer Series Paper to the front of the card base.
- Stamp the large flower in Basic Gray ink on the 2 ½" x 4" Whisper White piece. It will go off the edge, so try to center the flower. The stem and large bottom leaf will not show on this small layer. Adhere to the small Basic Gray layer.
- Fold the ribbon in half and adhere so the fold is on the stamped flower and ends go off to the left.
- Adhere this layer horizontally on the Designer Series Paper so the swirly design is fully visible. You may want to use Stampin' Dimensionals, but this may add enough thickness to require extra postage.
- Stamp the flower again in Basic Gray ink on the So Saffron card stock. Color the center of the flower with the Pumpkin Pie Stampin' Write Marker. Really, any orange marker will do. Cut out just the flower.
- Adhere the stamped flower layer to the card front with Stampin' Dimensionals, matching the stamped images.
