Notes:

1. Score the Garden Green card stock at 4 1/4". Fold and crease for the card base.
2. Score the 5 1/4" x 8" Very Vanilla card stock at 2" and 4". Fold and crease for the inner card.
3. On the 5 1/4" x 4" Very Vanilla piece, stamp the sleigh, post mark, and deer in Cinnamon Cider ink, leaving room for the dies to fit around each image.
4. Cut out the images with the coordinating dies.
5. Cut the detailed deer and the #3 Layering Circle from the Cinnamon Cider card stock. Center the #4 Smooth Circle in the scalloped circle piece and cut. Center the scallop circle from the North Pole Wonder Die in the center of the smooth circle piece.
6. Adhere the Garden Green plaid Designer Series Paper to the card front with adhesive just around the outside.
7. Use the #4 Smooth Layering Circle Die to cut an opening in the card front 1 1/2" from the top of the card. Use the Garden Green circle in step 10.
8. Adhere the large panel of the Very Vanilla inner card to the inside of the card with the flap facing out.
9. Adhere the Garden Green toile pattern to the center flap of the Very Vanilla.
10. Close the Very Vanilla flap and then the card front. Apply adhesive to just the half circle of Very Vanilla peeking through the hole in the card front. Lay the Garden Green circle from step 7 into the hole.
11. Adhere the Cinnamon Cider stitched scallop circle to the Garden Green circle. Adhere the postmark to the Cinnamon Cider circle with Stampin' Dimensionals. Adhere the Cinnamon Cider scalloped frame around the circle opening in the card front.
12. Lightly mark the large panel of Very Vanilla with a pencil where the opening shows through.
13. Stamp *May the wonder of Christmas stay with you throughout the coming year* in Cinnamon Cider ink above the circle. Stamp the mistletoe in Garden Green ink inside the circle markings.
14. Adhere the stamped reindeer cutout on bottom of the middle panel that is covered with Designer Series Paper.
15. Adhere the sleigh cutout on the bottom right corner of the card front with Stampin' Dimensionals. You may want to remove the backing for just the Stampin' Dimensionals on the back of the sleigh. Adhere the detailed reindeer cutout to the left of the sleigh. Remove any remaining backings on the sleigh.

16. Tie a bow with the ribbon and adhere to the top of the card front with a Glue Dot.
