Notes:

I wanted a fall card, but I wanted to use Festive Post. It has stamps for Halloween, Christmas, and Valentine's Day, but not Fall. I decided I could use any stamp set, perhaps with coordinating dies.

- Score the Early Espresso card stock at 4 1/4". Fold and crease for the card base.
- Adhere one Very Vanilla piece to the card inside.
- Center the Mango Melody card stock at the top of the card front, holding it in place as you punch a hole with the Rectangular Postage Stamp Punch. Save the Mango Melody scrap for step 9.
- Emboss the Mango Melody card stock in the Old World Paper 3D Embossing Folder. Adhere on the card front, aligning the holes.
- Ink the striped stamp from Festive Post in Old Olive ink. Stamp off. Stamp the Very Vanilla inside layer through the hole in the card front.
- Stamp *Enjoy the Season* in the center of the stripes.
- Adhere a woodgrain strip of Designer Series Paper from the In Good Taste Designer Series Paper about 1/4" below the hole.
- Ink a leaf stamp with Stampin' Write Markers. I inked the center area with Mango Melody, Merry Merlot at the tips, and Old Olive at the center base. Spritz lightly and stamp the Very Vanilla card stock. Repeat so you have a number of leaves. (I use 3 each of the double leaves and the larger leaf.
- Cut out the leaves with the coordinating dies. Also cut out a detailed leaf from the Mango Melody, Old Olive, and Merry Merlot card stock scraps. I also cut out the long narrow sprigs from the Old Olive card stock.
- Adhere the leaves over the 1" woodgrain strip to the left of the hole.
- Add some random Metallic Pearls.
- Add Wink of Stella on the Old Olive stripes and on a bit on the leaves.
