Notes:

- Cut a piece of the Gorgeous Grape Designer Series Paper to 3" x 4 ½". Adhere to the card front.
- Stamp the smallest flower with the long stem in Basic Gray ink on a piece of Whisper White card stock or a note card. Use the 2" Circle Punch to cut it out.
 - Optional: Stamp the Gorgeous Grape ink pad on a corner of the Clear Block. Use a Blender Pen to pick up some of the ink. Color in the flower. Repeat with one of the greens. I used Just Jade.
- Cut a piece of Whisper White card stock or a note card to 1"x 3". Stamp the greeting in Basic Gray ink in the middle.
- Flag the right end by snipping about ½" in the center and then from each corner to the end of your snip. Adhere this to the card front with the flagged end at the edge of the Designer Series Paper and centered top to bottom.
- I think the Whisper White circle needs some contrast from the greeting strip. Here are some options.
 - If you have the 2 ¼" Circle punch, punch a circle from either the Gorgeous Grape card stock or the Gorgeous Grape Designer Series Paper (using the opposite side from what is face up on the card front). Adhere the stamped Whisper White circle to the larger circle.
 - Punch 3 circles from the Gorgeous Grape card stock or the Gorgeous Grape Designer Series Paper and arrange them around the Whisper White circle.
 - Brush the edge of the Whisper White circle across the Gorgeous Grape Stampin' Spot, leaving a narrow purple border.
- Adhere to the card front over the greeting with Stampin' Dimensionals.

The most simple version of this card would be the lower one, but not colored. The top version has the extra layer punched from Gorgeous Grape card stock with the 4 1/4" Circle punch.
