Notes:

1. Add Stampin' Seal+ to the back of the 3/8" strip of Designer Series Paper. (I used the red one with thin and thick stripes. I found if you cut in the middle of the thicker red stripes it's just right.) Start the end in the center front of the bottom half of the tin. There will be a tiny gap.
2. Color one of the large gems with the dark Real Red Blends. Allow to dry.
3. Snip a tiny bit of the pine sprig and adhere it over the gap of the thin Designer Series Paper strip. Adhere the red gem over the sprig.
4. Round the corners of the 2 1/2" x 3 7/8" Designer Series Paper. I used the red plaid. Use the Stampin' Seal+ to adhere the rectangle on the top of the tin.
5. Cut the tag (from the North Pole Wonder Dies) from the Very Vanilla card stock.
 - a. Stamp *May the Wonder of Christmas stay with you throughout the coming year* in Garden Green ink. The greeting should be in the top left corner of the tag.
 - b. Use a lark's head knot to add the ribbon.
 - c. Add the tag to the top of the tin with Stampin' Dimensionals.
6. Cut some of the pine sprigs (from the Beautiful Boughs Dies) from the Garden Green card stock. Adhere two sprigs to the top of the tin so the stems are centered and under the tag.
7. Cut the small solid pine cone from the Early Espresso card stock and the detailed pine cone from the Cinnamon Cider card stock. Adhere the detailed piece to the Early Espresso piece. Add to the tin between sprigs using a Stampin' Dimensionals.
