Notes:

- Score the Cherry Cobbler card stock at 4 1/4". Fold and crease for the card base.
- Adhere the Designer Series Paper to the card front.
- Stamp *Tis the Season* in Cherry Cobbler ink on the center of the 1 1/4" x 3 3/4" strip.
- Stamp the large greeting, *May the good times of Today become the cherished memories of tomorrow. Wishing you lots of love, joy, & happiness*, in Cherry Cobbler ink on the middle of the 5 1/4" x 4" Whisper White card stock. Adhere inside the card.
- Mark the Small Grid Paper around the scrap paper as a target for your card stock.
- Place the corner element at the bottom left corner, 1/4" from the bottom and the left side, of the target area.
- Fold the scrap paper in fourths to find the center of the four sides. Use the #3 Smooth Circle Die and cut the center of the scrap paper. You could use a jar lid or similar to draw the circle and cut it out with Snips.
- Close the Stamparatus and lightly adhere the scrap paper over the target area. Open the Stamparatus and place the curved pine bough on the edge of the circle in the top left corner. The stamp will go beyond the center folds you made in step 7. You may want to move the tips away from the circle just a smidge. Stamp a test wreath.
- Place the 3 3/4" Whisper White square on the target area. Ink the stamps with Shaded Spruce ink and stamp.
- Rotate the square a quarter turn and stamp again for the second, third, and fourth corners.
- Place the dotted stamp on the wreath where you think it matches best. Close the Stamparatus to pick up the stamp. Stamp the dots in Cherry Cobbler ink, rotating the card stock four times.
- Adhere the wreath layer at the top of the Designer Series Paper with Stampin' Dimensionals, leaving the 1/8" border on the top and sides.
- Adhere the greeting strip under the wreath layer, leaving the 1/8" border all the way around.
- Stamp the little flowers in Cherry Cobbler ink on the scraps of Whisper White. Cut these with the coordinating die. Adhere these scattered around the wreath. You may want to use the Mini Stampin' Dimensionals, Mini Glue Dots, or just flat with Multipurpose Liquid Glue.
- Adhere Rhinestones scattered around the wreath.
- Tie a bow with the Dotted Tulle Ribbon. (You may want to use Gidget's Bow Maker.™) Adhere this at the top of the wreath with a Mini Glue Dot.
- Make an envelope liner by cutting the 3" x 6" Designer Series Paper with the
