Notes:

- Slide the Designer Series Paper into the punch. Pull the end out through the hole toward the lock mechanism. This allows you to cut a tag of any length. Continue pulling until the end is nearly at the top of the tag and punch. Punch a hole in the tag.
- Stamp the car in Real Red ink. Stamp the solid tree in Garden Green ink. Punch it out with the Rectangular Postage Stamp Punch with the wheels near one edge of the punch and the front of the car near another edge. Temporarily adhere the punched piece to a scrap of card stock or a sticky note as a handle. Insert the punched piece again so that the car is in a square shape.
- Punch another piece of white card stock. Again, attach some paper as a handle. Punch again so you keep the long side and there are 6 scallops on the short edge. The piece will be about 1/8" x 2". Stamp *Enjoy this season* in Garden Green ink at the very top. Stamp *To: From:* in Garden Green ink on the bottom left corner.
- Use a Lark's Head knot to tie the red ribbon in the hole. Before you snug it in, lace the white ribbon through the red ribbon. Tie a tiny bow with the white ribbon.
- Adhere the square punched piece (with the card) with Stampin' Dimensionals near the ribbons. Center the To From label centered in the remaining part of the tag.
