Notes:

This supply list totals \$124, but I have to be honest. You will need a clear block. The D block will work for all the stamps in this set. If you do not have any blocks, you will need to delay getting the ribbon or stamp pad. You can put in a second order when you have your demonstrator number.

I made this card with Gorgeous Grape, but you could certainly select another color ink pad and Designer Series Paper.

1. Fold and crease a note card for the card base.
2. Cut 1" of the note card. The back will be 3 1/2" x 5". The front will be 2 1/2" x 5".
3. Ink the speech bubble stamp, stamp off on scratch paper, then stamp on an extra note card. Stamp the Happy Birthday greeting in the middle of the speech bubble. Cut it out.
4. Adhere the cut out to 2 1/4" x 2 3/4" Gorgeous Grape piece. Cut around the shape for a narrow border.
5. Cover all but the 1" strip with scrap copy paper or sticky notes. Stamp stars in Gorgeous Grape ink scattered the whole 1" strip.
6. Adhere the 2 1/4" x 4 3/4" Gorgeous Grape card stock the card front. Mark the center about 1/4" from the right side.
7. Flag the ends of the Designer Series Paper strips. Adhere them to the Gorgeous Grape card stock so the points are near the right edge of the card. Place the first strip a bit below the center point. The strips should be evenly spaced. Mine are about 1/8" apart.
8. Emboss the 2" x 4 1/2" white card stock with the Greenery Embossing Folder. Adhere the embossed layer over the Gorgeous Grape layer.
9. Adhere the speech bubble to the card front with Stampin' Dimensionals.
10. Tie a knot in the middle of the ribbon. Adhere the ribbon on the edge of the Gorgeous Grape under the speech bubble.
