Notes:

- Color the stamp with the small bundle of flowers with the Stampin' Write Markers. I colored the large flowers Night of Navy, the small flower buds in Rococo Rose, and the stems and leaves in Old Olive. Stamp the 4" x 2 ¾" Basic White card stock. Cut it out with the coordinating die. Fold the Night of Navy twine in half. Tie a bow around the stems with the doubled twine. Trim the ends.
- Stamp *Happy Birthday* in Night of Navy ink on one of the 2½" x 1¼" Basic White pieces. Ink the small flowers with Night of Navy ink, stamp off, then stamp on each side of the greeting. Adhere to one of the 2¾" x 1½" Night of Navy pieces.
- Stamp *Wishing you every happiness this special day will bring* in Night of Navy ink on the other 2½" x 1¼" Basic White piece. Adhere to the other 2¾" x 1½" Night of Navy piece
- Stamp the small flowers in Night of Navy ink at the middle bottom of the 3 ¾" x 2 ½" Whisper White piece. Adhere to the 4" x 2 ¾" Night of Navy piece.
- Score the 4 ¼" x 8 ½" Rococo Rose card stock at 5 ½". Fold and crease for the card base.
- Adhere the 4" x 2 ¾" Designer Series Paper to the 3" section of the card base.
- Mark both the 4 ¼" x 8 ½" and the 4 ¼" x 4 ¾" pieces ½" up and ½" in from each side. You really just need the corners.
- Place the #6 Stitched Rectangle Die so the bottom corners are at the marking.
- Cut both the pieces.
- Score the 3 ¾" x 5 ½" piece ¼" from the top.
- With the score line on the top, cut starting from 3" from the top and ¼" from each side all the way down. Turn so the scored end is at the 3" mark. Cut from ¼" to 3 ⅞" (between the first two cuts).
- Place the card with the top edge at the fold in the card base. The Tear & Tape Adhesive should be facing up. Remove the backing and close the card.
- Flap Piece: Trim the 4" x 1 ¾" piece by marking ½" from each side, ⅝" from the top, and ⅞" from the bottom. Remove the 4 corner pieces.
- Score the scrap ¼" from the long side, then cut at ½". Place Tear & Tape Adhesive on each outside edge. You will actually only need 1 ½". Cut four ⅜" pieces. (It's way easier to score first, cut the slit, add adhesive, and then cut the pieces than it is to cut the pieces, score each tiny piece, and then put the Tear & Tape Adhesive on each tiny piece.)
- With the larger section of the flap piece on the bottom, place a tiny piece on the right tab, adhering the bottom half and leaving the top half facing upward. Repeat on the left side. Flip it over. The larger section will still be on the bottom. This time, adhere the top half with the free section facing downward. Repeat for the other side. When you look at it from the side, the tabs will from a backwards Z.
- Open the card flat, perhaps placing a weight on it. Position the flap in the center of the hole with the larger section on the bottom and the top tabs facing down. Fold the top tabs back. Remove the backing, and adhere to the side "prongs."
- Cut the Adhesive Sheet in very thin pieces, perhaps ⅞" wide and 1 ½" long. Place on the sides of the 4 ¼" x 4 ¾" piece in the four corners. There is not a lot of room! You will need to take care that the adhesive doesn't stick to the sliding part and that it doesn't show.
- Fold the remaining tabs up. Remove the backing. Adhere the 4 ¼" x 4 ¾" panel over it.

19. With the card closed, adhere the Happy Birthday piece to the flap piece. Open the card and adhere the other greeting to the other side of the flap.
20. Adhere the 4" x 2 1/2" piece of Designer Series Paper on the inside top portion of the card base.
21. Close the card and turn the card to the back. Notice that the greeting is upside down. Turn the card so it's right side up. Add the piece made in step 4. This is where you will write your message and sign the card.
22. Punch the Old Olive card stock with the circle punch. Adhere the circle behind the doily. Add the cut out flowers with Stampin' Dimensionals. Adhere this all to the front top flap of the card.
