Notes:

- Score the 5 1/2" x 8 1/2" **Petal Pink card stock** at 4 1/4". Fold and crease for the card base.
- Emboss the 5 1/4" x 4" in the **Subtle 3D Embossing Folder**.
 - Note: It's a good time to remind people that if you have the retired thicker "Dynamic" embossing folders, use just one clear #3 plate. Use the #4 (gray) plate for the newer, thinned "3D" embossing folders.
- Wrap the ribbon across the embossed piece with the top edge of the ribbon 1" down from the top. Adhere the ends to the back of the layer.
- Adhere to the card base.
- Cut the 3 1/4" x 4 1/4" **In Good Taste Designer Series Paper** with the #1 **Stitched So Sweetly Die**.
- Stamp the bunnies from **Wildly Happy** with the **Gray Granite ink** near the long bottom edge. Color the nose and inside the ears with the **Light Petal Pink Stampin' Blends**. Color the rest of the bunnies with the **Light Gray Granite Stampin' Blends Marker**. Use the smaller tip of the **Dark Gray Granite Stampin' Blends Marker** around the outside of the bunny bodies, the edge of the ears, and the bottom of the chins of the bunnies. Color with a circular motion with the **Light Gray Granite Stampin' Blends Marker** to blend the inks.
- Use the #5 **Stitched Rectangles Die** to cut the bunnies with their feet at the very bottom of a long edge. Line up the bottom straight corners of the #8 **Stitched So Sweetly Die** to cut the piece smaller. Have the stitching lines lined up, if possible.
- Stamp *Easter Blessings* in **VersaMark ink** in the upper right corner of the Designer Series Paper rectangle. Dust with the **White Stampin' Emboss® Powder**. Remove the extra powder. Heat with the **Heat Tool**. Adhere this layer to the card front, hopefully with the greeting aligned with the ribbon.
- Adhere the strips of Designer Series Paper to the rectangle to form a cross. I put the short piece horizontally about 1/4" under the ribbon and on the left side of the rectangle. Then I put the longer upright piece in the middle, being careful not to cover the greeting. If yours covers the greeting, trim it a bit shorter.
- Adhere the bunny piece to the bottom right with **Stampin' Dimensionals**. I didn't stamp the inside of the card or the envelope. You could stamp some flowers or perhaps stamp *May God bless you and keep you, or Forever & Always* on the inside.
