Notes:

1. Punch a scrap of card stock with the Flowers & Leaves Punch. I add a happy face or perhaps write the name of the punch at the top as you look at it from the back of the punch. Place the two flower stamps in the punched holes. Lay them down carefully and pick up the stamps with a clear block.
2. Stamp the two flowers twice on the Polished Pink, Fresh Freesia, or Pale Papaya card stock. Punch out.
3. Cut two petals off one small flower. Discard one single petal and adhere the other between the two remaining petals.
4. Adhere the two larger flowers. Use Stampin' Dimensionals between the layers, if you'd like. Top with the other small flower.
5. Place the leaf stamps on the block like you did with the flowers in step 1. Stamp the leaves on the Soft Succulent or Evening Evergreen strip and punch.
6. Adhere the small leaves behind the small flower and the large leaves behind the large flower.
7. If you are using the Tailor Made Tags die, cut the Basic White card stock with the largest curvy tag. Cut a round reinforcer from a scrap of Soft Succulent card stock. Adhere the reinforcer to the hole.
8. If you are not using the dies, you can use a Tag Topper Punch or just punch a hole at the top of the rectangle with a standard hole punch. Stamp the greeting in the middle of the tag.
9. Add the small flower at the top left of the tag and the large flower at the bottom right corner. Add an In Color Jewel to each flower.
10. Fold the top of an Ombre Gift Bag down about 1 1/2". Slit the sides to the fold. Fold the flaps out and down.
11. Tie a ribbon around the middle of the flaps. Lace the ribbon into the tag. Tie a bow. You might use a Mini Glue Dot to hold the ribbon and/or tag in place.
