Notes:

1. Score the Basic White Thick card stock at 4 ¼". Fold and crease for the card base.
2. Cut the long detailed leaves from the 5 ½" x 2 ½" Basic White card stock and the detailed flower cluster from the 5" x 4 ½" Basic White card stock. Save the outside part from the flower cluster.
3. Stamp *Happy Birthday* in Soft Succulent ink on the bottom left of the card front.
4. Lay the leaves on the side of the card front. Lightly mark the stem with a pencil. Cut along the pencil line.
5. Stamp the inside of the card on the right side top and bottom corners with the swirly ink stamp in Soft Succulent ink. Stamp again in the center with Mint Macaron ink. You may want to add another stamp in Mint Macaron.
6. Stamp the envelope flap the same way you stamped the inside of the card.
7. Place the flower cluster frame on the card front. You will try to hold this in place while you add color. Use a Blender Brush and Magenta Madness ink to color where the rose and swirly flowers will be. Use a Blender Brush and Rich Razzleberry ink to color the large flower. Use the third Blender Brush and Soft Succulent ink to color where the leaves are.
8. Using the Fine-Tip Glue Pen, adhere the leaves along the curved edge of the card on the inside, but facing out.
9. Adhere the flower cluster over the colored section of the card front.
10. Scatter three 21-23 In Color Jewels.
