Notes:

1. Score the Basic Black card stock at 2 3/4" and 5 1/2". Fold and crease for the card base.
2. Using the Stamparatus, stamp the large design in VersaMark ink in the upper left corner of the 2 3/4" x 4 1/4" Basic Black layer. Stamp *Thank you* in VersaMark ink in the lower right corner of this piece. Stamp *All the things you do are simply amazing* and the small swirl in VersaMark ink in the middle of the 4" x 1 3/4" Basic Black piece.
3. Sprinkle the both pieces with the Gold Stampin' Emboss Powder. Use the Heat Tool to melt until the dull powder turns shiny bright gold.
4. Adhere the Designer Series Paper to the 4" x 5 1/4" Basic Black layer. Adhere to the bottom half of the card front. There should be no adhesive above the score line.
5. Fold the ribbon in half and open to a V shape. Trim the ends. Adhere to the card front so the ends are close to the right side of the Designer Series Paper.
6. Adhere the 2 3/4" x 4 1/4" layer with Stampin' Dimensionals over the ribbon and about 1/4" from the bottom and left sides.
7. Place the 1 3/4" Basic Black strip into the Elegant Tag Punch so the end comes out the shore end of the punch. Reach into the back opening to pull the end through, pulling until the greeting is definitely through the opening. Punch with the swirly side. Turn the strip around and repeat with the other end of the strip. Adhere to the middle of the inside layer with Stampin' Dimensionals. This acts as a stop for the easel.
