Notes:

1. Fold and crease on the score line for the card base.
2. Ink the big bold *Happy* stamp with the Night of Navy ink pad. Stamp one time on scratch paper. Stamp just above the middle of the card front. (This is called "stamping off" or "second generation" stamping.)
3. Ink the cursive *birthday* stamp in Night of Navy and stamp full strength just under the Happy. I overlapped it just a bit.
4. Stamp a few of the little plus sign designs under birthday.
5. Add a strip of the Designer Series Paper on the left side of the card. I had planned to make that strip ¼" but when I somehow got a bit of ink where I was going to put it, I decided it needed to be just a bit wider to cover it. I figure it will be easier to add the adhesive on the wider strip too.
