Notes:

- Score the Gorgeous Grape card stock at 4¼". Fold and crease for the card base.
- Cut one long side of the Highland Heather strip of the Hand-Penned Designer Series Paper with the scallop die in the bundle.
- Adhere the Tear & Tape Adhesive to the straight edge of the strip. Set aside.  
Adhere the 4¼" x 1½" Mint Macaron strip of the Designer Series Paper horizontally about¾" up from the bottom of the card front.
- Cut the 2¾" x 1½" Basic White card stock with the #5 die from the bundle.
- Stamp *You're absolutely amazing* in Mint Macaron ink on the Basic White die cut. Set aside.
- Stamp Thank you for everything in Mint Macaron ink in the middle of the 4" x 5¼" Basic White layer. Set aside.
- Stamp the stem in Mint Macaron ink on the 1¾" x 4" Basic White card stock. Stamp the flowers in Highland Heather ink. Clean the stem stamp.
- Stamp the stems again in VersaMark ink over the Mint Macaron. Stamp the swirly leaf in VersaMark ink on the bottom left corner of the 4" x 5¼" Basic White card stock. Cover both pieces that were stamped with VersaMark with the Heat & Stick Powder. Heat with the Heat Tool. Cover with the Gilded Leafing.
- Remove the backing from the Tear & Tape Adhesive on the Designer Series Paper. Cover the adhesive with Gilded Leafing.
  - Note: I wanted a thinner line of gilding. I trimmed off ⅛" of the Designer Series Paper and Tear & Tape Adhesive.
  - Note: You can also use Multipurpose Liquid Glue for leafing. Just draw with the glue and then allow it to dry. When it's dry, it will be clear and sticky. This is my favorite way to add gilding.
- Brush off the extra leafing and return the extra bits to the container. I use a stipple brush I had from stenciling my walls. You may be able to use a Blending Brush, but I'd be worried about those bits staying in the bristles. Perhaps dedicate a brush for this purpose. You could probably use an old soft bristle toothbrush.
- Adhere the 4" x 5¼" Basic White layer inside the card.
- Remove the backing from one side of the Foam Adhesive Sheet. Place the stamped flower on it. Cut with the die from the bundle.
- Adhere the scallop and gilded Highland Heather Designer Series Paper vertically about¼" from the left side of the card.
- Adhere the flower at a bit of a diagonal over the line of gold leafing.
- Fold the ribbon in half. Adhere at the gilded line about 1" from the top of the card with the ends pointing to the left. Trim the ends.
- Adhere the greeting over the fold of the ribbon.
