Notes:

1. Score the Night of Navy card stock at 4 ¼". Fold and crease for the card base.
2. Cut the Shimmery White card stock with the Seaside Seashells Dies. We will use both the outer frame and the shells and seaweed. There will be lots of little pieces we will not need.
3. Color the shells and seaweed with the Soft Pastels. You can color heavy or light and you can mix colors, if desired. If you use a side rather than a corner, you'll avoid hard lines.
4. Color the shells with Wink of Stella, if desired.
5. Fill one spritzer with alcohol for faster drying. Spritz the whole piece. Blend the colors, if a smoother or lighter color is desired. Allow to dry. You can use the Heat Tool to speed drying, but take care not to overheat, especially if you used alcohol.
6. Fill another spritzer with alcohol and 10-15 drops of Night of Navy ink refill. Spritz the Be Dazzling Specialty Paper until you reach the desired color saturation. Allow to dry. You can use the Heat Tool for this as well, following the same safety advice.
7. Stamp *Happy birthday to my beautiful friend* in Crumb Cake ink in the middle of the Basic White layer.
8. Stamp the sea star and sand/spatter at the bottom of the card.
9. Color the surface of the seaweed stamp with the darker green Soft Pastel. Fill another spritzer with water. Spritz the colored surface. Stamp the seaweed near the sea star.
10. Adhere the Basic White piece inside the card.
11. Stamp the die-cut shells with Crumb Cake ink. This will be easiest if you stamp the grid paper first. Arrange the frame piece from step 2 around the stamped image. Place your cut-out in the puzzle piece. Your placement should be close to perfect.
12. Place the cut-out in the Seashells 3D Embossing Folder and emboss.
13. Adhere the dry Be Dazzling Specialty Paper to the card front.
14. Adhere the cut-out over the Be Dazzling layer.
15. Add the Opal Rounds, as desired.
